Mt. Sinai Hospital:-

The enclosed

letters from Dr. Jacobi were
addressed to my late father-
in-law, Dr. David Davison.

Because of both Doctors' long
association with Mt. Sinai
Hospital, we felt that you might
wish to have these letters to keep.
Might we have a copy of the
Mt. Sinai Journal containing the
obituary on Dr. Davison when this
has been prepared? Thanking you for
your kindness, I am, sincerely,
Annette Davison
