

Mount Siam
Dr Jacobi Hospital

I take the liberty to inform
Professor Jacobi about the
conduct of the Night
Nurse Mrs Davenport
in the Childrens Ward
every body in ^{the} House
know how cruel she is
to the Children but
nobody wishes ^{to} speak about
it so we thought it was
time to ~~the~~ let the
Professor know about it
The Children are afraid
and dare not tell

but if the Profecor
ask the older Children
they will tell him
that the Nihgt Misse
beats the Children most
every Nigt and the
scraws can be heard
at all hours et Nigt
in the thirt Ward
and efen in the count

Ward hoping that
Profecor will see in to

the's we remain yours
very respectfully
