My dear Mrs. Davison:

Thank you very much for your note of December 10th, enclosing several original letters from Dr. Jacobi to the late Dr. Davison. I am very glad to have these; they will be added to the Hospital's historical collection.

I hope that some time we may be permitted to have Dr. Davison's house-staff diploma. From our point of view, it is a rather rare and valuable specimen.

A copy of the Mount Sinai Journal containing the obituary of Dr. Davison will be sent to you as soon as it is received from the printer.

Sincerely yours

JOSEPH TURNER, M. D.
