Bellevue Hospital  
Sept. 21. '80.

Dear Dr. Jacobi -

I received  
this evening a letter from  
Dr. McCay. - in answer to  
our letter him as to the  
Mr. Finai appointment -  
in which he asks me  
to say to you that he  
is very desirous indeed  
of securing the appoint-  
ment. Is there anything  
for him to do in the  
matter before he returns  
(on Saturday, Sept. 25.)?

I hope that you will  
not be incumbered in

The matter of the copy-  
ing which you did  
not get done here.

Yours

Very truly yours

Thomas D. Smith.
